The new EZ-Peak Live Dual is the most powerful, fastest charger ever from Traxxas. An incredible 200 watts total power combine with intelligent features to get you back to the action faster.

**200 WATTS, 26+ AMPS TOTAL OUTPUT.
CHARGES BATTERIES FAST.**

- Fast Charge a pair of 2S 7600 (2869X) iD batteries in about one third the time (3X faster*)
- Fast Charge a pair of 3S 5000 (2872X) iD batteries in about one half the time (2X faster*)
- Fast Charge a single 4S 6700 in about 40 minutes.

iD
Auto Battery
Identification

Exclusive iD technology automatically optimizes the charge settings. Just press the Start button and EZ-Peak Live does the rest.

26+ AMP
MAX OUTPUT
200 Watts
TOTAL POWER

Charge at up to 16 amps for the fastest EZ-Peak charging yet. EZ-Peak Live offers 200 watts total power for charging up to 3x faster!*

Bluetooth

Connect to your iOS or Android device and unlock EZ-Peak Live for live monitoring, advanced charging features, and more.

MAXX CHARGE

Press MAXX Charge to charge one of your batteries at the maximum iD charge rate, while using remaining power for the second battery - up to 26+amps total charging power!

*Compared to Traxxas model 2972 Dual charger. Model 2973 charge time about 45 minutes or less.

GET BACK TO THE FUN FASTER!

UP TO 26+AMPS TOTAL CHARGING POWER

TRAXXAS ID BATTERY TYPE	MAXIMUM CURRENT WITH SINGLE BATTERY	MAXIMUM CURRENT WITH DUAL BATTERIES	MAXX Charge Mode MAXIMUM CURRENT CHANNEL (RIGHT OUTPUT PORT)
2-cell LiPo, 7.4v 2200-10000mAh	16A	13.4A x 2	16A
3-cell LiPo, 11.1v 1400-8400mAh	16A	8.3A x 2	16A
4-cell LiPo, 14.8v 5000-6700mAh	13.4A	6.2A x 2	13.4A

Based on 2C charge rate. Charge current approximate. Results vary.

EZ-Peak Live APP

CHARGING MADE EASY WITH YOUR MOBILE DEVICE

The free EZ-Peak Live App installs on your Apple® iOS® or Android™ device and links to your charger via built-in Bluetooth®, giving you access to a range of additional features. This is charging the Traxxas way—fast, easy, and more advanced than ever!

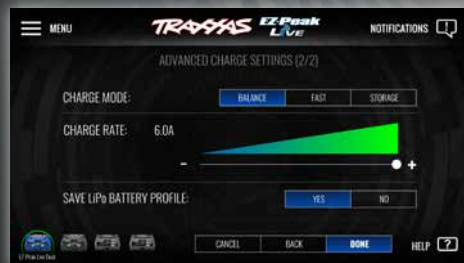

Available on the App Store

ANDROID APP ON Google play

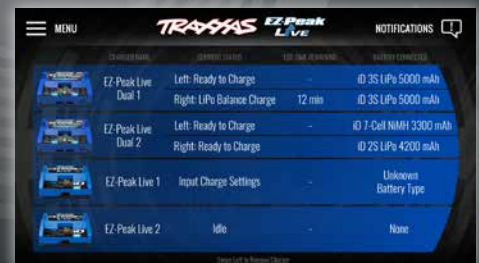

CHARGE DASHBOARD

Follow the progress of the connected battery with this intuitive status screen. Monitor cell voltage, view estimated time remaining, and even track charge current all in one convenient view. Receive alerts on your device when charging is complete.

ADVANCED CHARGE SETTINGS

Easily charge legacy Traxxas batteries. For advanced users, easily input manual charge settings for non-ID Traxxas batteries using the simple and intuitive interface.

EASILY MANAGE UP TO 4 CHARGERS

Monitor and manage up to four EZ-Peak Live chargers at once. The convenient dashboard shows charger status and what battery is connected to make managing multiple chargers simple.

Note: access to some charger features and functions such as inputting manual charge settings requires the use of the EZ-Peak live app. Android devices sold separately. Android is a product of Google Inc. Apple iPhone®, iPad®, and iPod touch® sold separately. iPhone, iPad, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.
